After leading a group through a book on accepting Jesus's invitation for healing and wholeness, a book I actually wrote, I promptly turned down an invitation for healing and wholeness. (Sigh)

I posited in a soon-to-be-released book that Jesus longs to make us whole. The Bible doesn't explicitly talk about us being made whole, so here's my take on the idea...

### **Seen and Invited: Meeting Jesus on the Dusty Roads**

**Available July 2024**

*Seen and Invited* illuminates the tender Shepherd heart of Jesus as he interacts with common folk on the dusty Israeli roads: seeing, healing, and gathering his lambs and then inviting them into an amazing story of hope and redemption.

Walk the roads of brokenness, doubt, fear, discontentment, isolation, and insignificance, and meet the Jesus who lovingly directs each person back to the road of wholeness, trust, satisfaction, community and purpose, the road we walk at his side and in his company.

Weaving together storytelling, history, and Bible, the author brings Jesus, the disciples, and the people of Israel to life, spurring readers to love Jesus more, to long for his presence, and to bask in his eternal attention.
